

September 2012

Dear Energy Professional,

As a vital energy participant in New England with a strong interest in the specific challenges facing Connecticut we extend to you the opportunity to support the launch and growth of the AEE Connecticut Chapter by becoming a Chapter Sponsor. Sponsors are the lifeblood of the organization and allow AEE CT to provide educational seminars, regulatory insight and case studies targeting this area's unique concerns.

Our mission is *“to promote the scientific and educational interest of those engaged in the energy industry, foster cooperative action in advancing the common purposes of its members and promote activities designed to enable the industry to be conducted with the greatest economy and efficiency”*.

The benefits of AEE-CT Sponsorship include:

- Support of the Chapter's mission and objectives
- Recognition on our website, [www.aeeconnecticut.wordpress.com](http://www.aeeconnecticut.wordpress.com)
- Recognition in the Monthly AEE-CT Newsletter
- Employment notices that reach your target audience on our website
- Exhibit and presentation at our Annual Sponsor's Night meeting

Equally important is the education and the networking that our organization provides for the energy professionals in the region. We hope that you will support our Connecticut Chapter and make a worthwhile investment in promoting the energy future of our region.

Thank you for your consideration.

Dan Wheatley
